

📍 Stamford Bridge Tennis Club, Nr York

Founded as a friendly, community-focused club near York, Stamford Bridge Tennis Club has grown into a welcoming hub for players of all ages and abilities. With three newly completed hard courts and a strong mix of adult, junior and family membership options, the club offers modern facilities alongside a sociable, inclusive atmosphere, including coaching programmes, league teams and regular club sessions.

By introducing **SmartAccess Premium**, the club will now benefit from secure, automated access control and integrated floodlighting, enabling extended playing hours throughout the year. Members can enjoy seamless, self-service entry and well-lit courts into the evening, while the club will benefit from improved security, reduced admin and greater utilisation of its facilities.

“ Delighted to support Stamford Bridge Tennis Club with a solution that improves access, extends playing hours and enhances member experience.”
